SPECIAL NOTICES.

TO OWNERS OF HORSES.

Thousands of horses die yearly from colic.-This need not be. Dr. Tobias' Venetian Horse Liniment will positively cure every case, if given when first taken. The cost is only one dollar .-Every owner of a horse should have a bottle in his stable, ready for use.. It is warranted superior to anything else for the cure of Cuts, Wind Galls, Swellings, Sore Throat, Sprains, Bruises. Old Sores, &c. This Liniment is no new remedys It has been used and approved of for 19 years by the first horsemen in the country. Given to an over-driven horse, it acts like magic. Orders are constantly received from the racing stables of England for it. The celebrated Hiram Woodruff, of trotting fame, has used it for years, and say, it is far superior to any other he has tried. He kindly permits me to refer to him. His address is East New York, Long Island. Recollect, Dr. Tobias' Venetian Horse Liniment is put up in pint bottles. Take no other. Sold by the Druggists and Saddlers. Depot, 56 Cortlandt Street, New York.

OF THE AMERICAN WATCH

MADE AT WALTHAM, MASS.

The American Watch Company, of Waltham, Mass., respectfully submit that their Watches are cheaper, more accurate, less complex, more durable, better adapted for general use, and more easily kept in order and repaired than any other watches in the market. They are simpler in structure, and therefore stronger, and less likely to be injured than the majority of foreign watches, which are composed of from 125 to 300 pieces, while in an old English watch there are more than 700 parts. How they run under the hardest trial watches can have, is shown by the Every necessary means will be employed by the Faculty for the illustration of the lectures. following letter: PENNSYLVANIA RAILROAD COMPANY.

OFFICE OF THE GENERAL SUPERINTENDENT, ATLOONA, PA., 15 Dec., 1866. Gentlemen: The watches manufactured by you have been in use on this railroad for several years by our enginemen, to whom we furnish watches as part of our equipment. There are now some three hundred of them carried on our line, and we consider them good and reliable time-keeper. Indeed, I have great satisfaction in saving your watches give us less trouble, and have worn and do wear much longer without repairs than any watches we have ever had in use on this road. As you are aware, we formerly trusted in those of English manufacture, of acknowledged good reputation; but as a class they never kept time as correctly, nor have they done as good service, as yours.

In these statements I am sustained by my predecessor, Mr. Lewis, whose experience extended over a series of years,

Respectfully. EDWARD H. WILLIAMS, General Superintendent. American Watch Co., Waltham.

We make now five different grades of watches, named respectively as follows: Appleton, Tracy & Co., Waltham, Mass. Waltham Watch Co., Waltham, Mass. P. S. Bartlett, Waltham, Mass.

Wm. Ellery, Boston, Mass. Home Watch Co., Boston, Mass. All of these, with the exception of the Home Watch Company, are warranted by the American | ply at the Standard office. Watch Company to be the best material, on the most approval principle, and to possess every requisite for a reliable time-keeper. Every dealer selling these Watches is provided with the Company's printed card of guarantee, which should accompany each watch sold, so that buyers may feel sure that they are purchasing the genuine article. There are numerous counterfeits and imitations of our Watches sold throughout the country, and we would caution purcha-

sers to be on their guard against imposition. Any grades of Waltham Watches may be purchased of Watch Dealers throughout the country. ROBBINS & APPLETON, 182 Broadway, N. Y.
